

WHEN SOMEONE DIES

When someone we know dies it reminds us that one day we will die. A famous person once said "There are two things you cannot escape; death & paying taxes." He was wrong. You can avoid paying taxes! But he was right about the two things. Death and judgment must be experienced by all. "It is appointed unto men once to die, but after this the Judgment" Hebrews 9:27. Moreover God is so just and holy He even promises to judge our words. "I say unto you that every idle word that men shall speak, they shall give account thereof on judgment day" Mathew 12:36. "Careless soul, O heed the warning, For your life will soon be gone; O how sad to face the judgment Unprepared to meet thy God." Many balk at the idea of a judgment day, finding it offensive. Interestingly we all find it easy to demand justice from other peoples wrongs & yet repel the thought that a Holy God may demand the very same from us. We know its wrong to steal, lie, hate, lust, gossip and cheat, our conscience acting as an internal witness with feelings of guilt shame and remorse. Whatever you are feeling, one thing is sure, not a single word said at

Lord Jesus I come before you right now and confess I am a sinner. God Be merciful to me a sinner. Forgive me Lord I cannot save myself. I Need to be saved. Save me I call upon your name. I am guilty and deserve your wrath. Thank you for taking my punishment on the cross and dying for me. Lord Jesus I want to stop living for myself and start living for you. My heartfelt desire right now is to confess & forsake my sin, and Follow you. I know if I put my trust in you today you will never fail me. Amen.

BEFORE YOU LEAVE THIS PLACE BREATHE AN EARNEST PRAYER TO GOD

anyone's funeral will have any bearing on the eternal destiny of the deceased. A sobering thought! However there is hope because God saw all our sin, weakness & failure & yet still loved us. Moreover He tasted death for you & for me. "God commends his love toward us in that while we were yet sinners Christ died for us" Romans 5:8. This offer of salvation from eternal punishment is a free gift & cannot be earned by being religious, going to church or doing good things. God has provided the only way we can be forgiven. He has accepted His Sons shed blood as the ONLY payment for our sin. At the cross Jesus offered himself up as the perfect sacrifice so you could be forgiven & become a member of God's family through the experience of the New-Birth (John 1:12-13;3:3). There is nothing you can do to secure this gift other than to humbly turn to Jesus right now in repentance & belief. Repent means to turn away from, & forsake all sin. Believe means to put your faith & trust in Christ & Him alone to save you. If you do this God promises to release you from the fear of death, give you a new life with new desires, & grant you the gift of everlasting life. *Please follow the instructions on the back of this tract...*
